Barbra, I'd like to propose a toast
To the topic I dig the most
Catcher, let me dust off my loving cup
Hey, bartender, fill 'er up

Look how the neon stars to flicker
Love's like a shot but works much quicker
And you're a man who can hold his liquor
Cheers, here's to love

I'm an old fashioned and you're the cherry
I've got a thirst that's legendary
That's why I fired your secretary
Cheers, here's to love

Life's a martini
And you're the shaker
And baby, I sure packed a punch
Hey! Ya' make Dean Martin look like a quaker
But now it's only you for dinner
Breakfast?
And lunch

I hear the march that's calling for us
We'll walk down the aisle to an angel's chorus
I'll be your Rock if you'll be my Doris
Sweet heavens above

Why is the waiter smilin' at us?
He knows what we're thinkin' of
Oh, can't be cheers
Cheers, baby here's to love

You've got the lips to wet my whistle
If that doesn't catch ya', maybe this'll
Cupid just launched a guided missile
Cheers, here's to love

Your eyes are so intoxicating
Bottoms up, babe, let's get to mating.
I bet it bears reiterating
Cheers, here's to love

Though it ain't new years pop the champagne
And let's take a spin on the floor
Your moves are good
I'm feelin' no pain
So let's pay the check and slip out the back door

We took Manhattan without the bitters
We're stayin' put last call for quitters
Soon it will be just babysitters

'Cause this hawk's now a dove
Baby the cab is blowin' its horn
But I can't find my hat and my gloves
Oh, can't be, cheers
Cheers, baby here's to love

Here's mud in your eye
Here's lookin' at you kid
Here is to put hairs on your chest
Not that I would want that
Here's to love
