Tic, tac, toe, yup, let's go
You've got X's, I've got O's,
See my clothes? I'm so woah,
I'm not your everyday average joe.

Yo, all you need to stop it,
Let's get drunk now, that's the topic.
Vodka or vodka, that's your option.
Take those shots and you're pro at boxing.

You got me thinkin' it's on now,
Hold the choke of dat bong down,
Stumblin' onto your lawn, now,
People say that I'm wrong, now.

Calm down, it's only a draft,
So what I wound you, It's only my ass.
Don't even ask, what I'm thinking
I've been drinking 40 a glass.

You ride big wheels, and we got trucks
You see us rollin' up, yeah, we rollin' up.
We showed up, now, and we go nuts
You see us blow it up, yeah, we blow it up.

If you've got cups, well then you're old enough
Go ahead and hold 'em up, let's see you hold 'em up
If you don't like it, you shut up, 'cause you don't know
what's up
Go ahead and phone the cops. We'll say it's soda pop.

You wanna party, just call me,
Send for me, 10-4 me,
Get 40s, hey Shorty,
Just take this cup and start pouring

Don't hang with it, spring break with it
Do some dumb shit and say they did it,
Do some drunk shit, show some skin,
Nice to meet you, can I meet the twins?

YUPP!

I like to win, I got more points than a box of pins,
Now we here, let the fun begin, and get more trashed
than the garbage bin,
Cause this ain't nothin' new to us, we do this on the reg,
man,
Girls headin' down, booty poppin' on the keg stand

You ride big wheels, and we got trucks
You see us rollin' up, yeah, we rollin' up.
We showed up, now, and we go nuts
You see us blow it up, yeah, we blow it up.

If you've got cups, well then you're old enough
Go ahead and hold 'em up, let's see you hold 'em up
If you don't like it, you shut up, 'cause you don't know
what's up
Go ahead and phone the cops. We'll say it's soda pop.
