(Verse 1):

I came to get it all
I came to get it all
Put your hands up
Get your ass up off the wall
Fuck if I'm leaving with half
Fuck if I'm leaving with half
I'm putting everything in
Now I want everything back
Doors open like a centerfold
On stage feeling unfuckwithable
And no two shows are ever identical
So every time you see me flow I'm at my pinnacle
And I'm aimin' for the nosebleeds
Everyone who knows me
Holdin' up the dub into the air like a trophy
You're giving me a hand to a hater, that's a bitch slap
My time is the present, I'm just taking off the gift wrap

(Chorus):

Well I've seen, exactly what you want me to be
But that don't mean nothin' to me, at all, I want it all
I've got dreams, larger then you'd ever believe
But I don't want nothing for free, at all, I want it all

(Verse 2):

When they tell you slow down, when you goin' this
crazy
Wake up and smell the roses, before you pushin'
daisies
Well I'mma keep pushin' like the day my momma made
me
So life is but a dream, and no one better wake me
Goin hard with it, gettin' blues, steal swagger
Like an advil, went and did it with a hammer
Rollin' like a camera, focused like some film
And I'm ready for my close-up in that Coupe De Ville
But you can have your coupe back, I'mma pontoon that
Cadermera jazz with the fan blowin' fruit back
Feelin I'mma booth that, winner on the two track
And when it's my time to rain, I monsoon that

(Chorus):

Well I've seen, exactly what you want me to be
But that don't mean nothin' to me, at all, I want it all
I've got dreams, larger then you'd ever believe
But I don't want nothing for free, at all, I want it all

(Verse 3):

I just can't wait
You bring the liquor I'm on a chase
And I'mma keep running until the race is done
And the race ain't won
But I want it so bad that I can taste this one
Go hate, I know you're only happy when it rains
But I won't be happy to play the game, I'm done
It's the same old song and the same fire burning yea
the flames still strong

(Chorus):

Well I've seen, exactly what you want me to be
But that don't mean nothin' to me, at all, I want it all
I've got dreams, larger then you'd ever believe
But I don't want nothing for free, at all, I want it all

Ohhhh-whoa-ohh,
I've got dreams
Ohhhh-whoa-ohh
