You're a rich girl and it's gone to far
'Cause you know it don't matter anyway
Say money, money wont get you too far, get you too far

It feels like we haven't seen each other in years
Why don't you join me for a couple of beers clink
cheers wow
I seen you on my facebook profile sending me a
message endin off with a smile

Hows your dad doing, still rakin in that dough huh?
Your suppose to laugh that's a joke hun
I like to poke fun, so don't take it to the heart
Last time i heard you was in school studying art

So what! you dropped out and now your workin the bar
But i thought you had it made a big house and a car
Ima tryed to get paid for what i say on stage
But if your already paid then i guess you got it made

you're a rich girl and it's gone to far
Cause you know it don't matter anyway
You can rely on the old mans money,
you can rely on the old mans money
It's a bitch girl and it's gone to far cause you know it
don't matter anyway
Say money, money wont get you too far, get you too far

Were together now we haven't seen each other in days
I'm on the road trying to make my way okay!
Cause going at the clubs aint cheap
And neither are the clothes on your back
Or the shoes on your feet girl

Your daddy got the dough that's right
his people he be breakin you off yeah off

In her world a boats a yacht a king size beds a cot
A millions not a lot
Im just trying to get paid for what i say on stage
But if your already paid then i guess you got it made

Your a rich girl and it's gone to far
Cause you know it don't matter anyway
You can rely on the old mans money,
you can rely on the old mans money
It's a b**** girl and it's gone to far cause you know it
don't matter anyway
Say money, money wont get you too far, get you too far

There aint no justice in the halls i saw the writing on the
wall
Dad's money's gunna back it up girlfriend, Dad's
money just to back it up girl

I saw you headed for a fall i was the one who made the
call
Dad's money's gunna back it up girlfriend, Dad's
money just a back it up girl (x3)
Your a rich girl and it's gone to far
Cause you know it don't matter anyway
You can rely on the old mans money,
you can rely on the old mans money
It's a bitch girl and it's gone to far cause you know it
don't matter anyway
Say money, money wont get you too far, get you too far
