You're a rich girl and it's gone too far
Cause you know it don't matter anyway
Say money, money won't get you too far, get you too far...

[Verse 1]

It feels like we haven't seen each other in years
Why don't you join me for a couple of beers, clink,
cheers, wow!
I seen you on my Facebook profile
Sending me a message and it all full of smiles

How's your dad doing, still rakin' in that doh huh?
You're supposed to laugh, that's a joke hon
I like to poke fun, so don't take it to the heart
Last time I heard you was in school studying art

So what, you dropped out, now your workin' the bar
But I thought you had it made a big house and a car
Ima try to get paid for what I say on stage
But if you're already paid then I guess you got it made

[Chorus]

You're a rich girl and it's gone too far
Cause you know it don't matter anyway
You can rely on the old man's money, you can rely on
the old man's money
It's a bitch girl and it's gone too far
Cause you know it don't matter anyway
Say money, money wont get you too far, get you too far

[Verse 2]

We're together now, we haven't seen each other in
days
I'm on the road trying to make my way, okay!
Cause goin' out to clubs ain't cheap
And neither are the clothes on your back
Or the shoes on your feet, girl

Your daddy got the doh, that's right his people he be
breakin' you off
Yeah, off

(But I've got my own to blow, you know)

In her world a boat's a yacht, a king size bed's a cot
A million's not a lot
I'm just try'na to get paid for what I say on stage
But if you're already paid then I guess you got it made

[Chorus]

Your a rich girl and it's gone too far
Cause you know it don't matter anyway
You can rely on the old mans money, you can rely on
the old mans money
It's a bitch girl and it's gone too far
Cause you know it don't matter anyway
Say money, money wont get you too far, get you too far

[Verse 3]

There ain't no justice in the halls, I saw the writing on
the wall
Dad's money is gonna back it up girlfriend
Dad's money just to back it up girl

I saw you headed for a fall, I was the one who made the
call
Dad's money is gonna back it up girlfriend
Dad's money just to back it up girl

[Chorus]

You're a rich girl and it's gone too far
Cause you know it don't matter anyway
You can rely on the old man's money, you can rely on
the old man's money
It's a bitch girl and it's gone too far
Cause you know it don't matter anyway
Say money, money wont get you too far, get you too far
[X2]

You're a rich girl, and it's gone too far
Cause you know it don't matter anyway...
