When I get the blues I get me a rockin' chair  
When I get the blues I get me a rockin' chair  
If the blues ever take me gonna rock right away from  
here

Now when I get lonesome I get on the telephone  
Now when I get lonesome I get on the telephone  
I call my baby and tell him I'm on my way back home

Now flip, flop and fly  
I don't care if I die  
Flip, flop and fly  
I don't care if I die  
Don't ever leave me don't ever say good-bye

Here comes my baby flashing a new gold tooth

Here comes my baby flashing a new gold tooth  
He's so skinny he can mambo in a payphone booth

Give me on last kiss and hold it a long, long time  
Give me on last kiss and hold it a long, long time  
'Til the feeling over comes me with a feelin' in my head  
like wine

Now flip, flop and fly  
I don't care if I die  
Flip, flop and fly  
I don't care if I die  
Don't ever leave me don't ever say good-bye
