It's been a long day  
At the bottom of the hill.  
She died of a broken heart.  
She told me I was living in the past,  
Drinking from a broken glass.  
I'm alone  
I never wanna be alone.  
Now I..Now I turn to face the cold.  
I'm alone  
I never wanna be alone.  
Now I..Now I turn to travel home.  
I walked down to the other end today,  
Just to catch those last few rays.  
I held out my hand  
And slowly waved goodbye.  
I turned now my eyes up to the sky.  
I'm alone  
I never wanna be alone.  
Now I..Now I turn to face the cold.  
I'm alone  
I never wanna be alone.  
Now I..Now I turn to travel home.  
She'll come back to me.  
She'll come back to me.  
All alone in this misery.  
She'll come back to me.  
I held out my hands into the light  
And I watched it die.  
I know that I was part to play.  
I've done my time  
And I never want to spend my life alone.  
I'm alone  
I never wanna be alone.  
Now I..Now I turn to face the cold.  
I'm alone  
I never wanna be alone.  
Now I..Now I turn to travel home.
