I knew the times would come and now the times have
landed
With stinging abrasion As ready as I seem to be
It's never like I planned it, yeah

PRE CHORUS

I'm wrestling my thoughts I'm overcome
Would you give me up I'm asking Lord
There's no where I sense Your presence here
So I will cry out, until I go

CHORUS

From Protest to praise
You're always amazing me
You're changing me slow, but surely
And You're gonna see me to the end

How long will I be forgotten by You forever
You're not making sense here
Seems like eternity has made a home between us,
yeah

PRE CHORUS/CHORUS (2X)

You're changing me slow
I just can't help but see it that way
'cause You're gonna see me to the end
