Intact is what I am  
Full weight not missing a gramme  
Got the power to blow it all away  
Attitude a part of the game  
You and me are not the same  
I'm superior in every way

Why can't you see  
You're where I want you to be  
I hope you see it my way  
Your end will come, you will see

Feel the strength, why can't you see?  
I am the one I want to be  
I am a one man war machine  
Know me, touch me  
Love me, fear me  
What is and ever will be  
I am the bringer of it all

Why can't you see...

Used to think I could take a stand  
But now my hatred has got the upper hand  
The situation's beyond control  
The hatred is burning my mind and my soul  
Yeah, you better believe it  
See you around, you're gonna receive it  
I have come to rip and shred  
The hate is for myself

Violence is my language  
Hate is my right hand  
I am death incarnated

Don't make the mistake  
Hear my lesson in hate

You know I will
