This is the last time  
I will fail you  
This is the last time  
I will fail you  
This is a release from me  
I must not be thinking straight  
The weight on my shoulders  
Is nothing but a headache to you.  
You wanted your freedom  
I hoped for food on your plate  
Either way WE LOSE.

Life has failed you  
For the last time.  
This is the last time  
I will fail you.

I take home a portion  
I live to produce for The State  
Trying to protect  
Your family from starving to death  
I know a person  
Who lost it all in one day  
Job  
Wife  
And his friends

Life has failed you  
For the last time.  
This is the last time  
I will fail you.  
SIX FLOORS ON MY HEAD

In time to save you  
From the truth.  
Who isn't my enemy?  
My sacrifice for you...  
A sign of hope  
Goes into the air with me  
AND INTO THE SIDEWALK BELOW

Forget about your fears

Forget about your fears  
Torture for all these years  
Torture for all these years  
I failed you  
Failed you  
Failed you  
SIX FLOORS ON MY HEAD
