"No Regrets"

Laying down in a bed he lived in
Sinking into a dying state
Can't forget the time, the room, the place
Notice the hand as it slowly makes it's way
I Have noâ€¦
No room for the dreams I've learned to hate
I Have noâ€¦
He's old, he's leaving a lonely place
I Have noâ€¦
I can still seem to hear him say
I Have noâ€¦
I Have no Regrets
Iâ€¦Haveâ€¦Noâ€¦I Have No Regrets
Thinking as if it were illusion
The love I've learned to embrace
Telling me it is all over
The promiseâ€¦â€¦.My strength
I Have noâ€¦
No room for the dreams I've learned to hate
I Have noâ€¦
I'm old and leaving this lonely place
I Have noâ€¦
If you listen forever you'll hear me say
I Have noâ€¦
I Have no Regrets
Iâ€¦Haveâ€¦Noâ€¦I Have No Regrets
I knowâ€¦â€¦
I know the answer lies in my head
No one can ever take that from me
I'm lostâ€¦â€¦
I've lost my head again
With the cross looming up before me
My lover's eyes below Me
Yet I have no regrets
