We may all have problems
Mine don't look a thing like yours
Is it enough to close my eyes
And justify so much strife
In the name of god?
If that's the case,
Your God is what's fucked up

SILENCE

Tie your own knot
The only way to end
To end all your suffering

SILENCE

Tie your own knot
Do us all a favor
AND END ALL YOUR MISERY

All the nations crying
For help to conquer world wide crime
That they propagate within
Justifying actions
That cause reaction
SO FULL OF SPITE

SILENCE

Tie your own knot
The only way to end
To end all your suffering

SILENCE

Tie your own knot
Do us all a favor
AND END ALL YOUR MISERY

Ive been a host to failure
No comfort to me
To be swept aside
By anyone with a bigger gun
THAN MINE
THAN MINE
THAN MINE
WITH A BIGGER GUN THAN MINE
THAN MINE

THAN MINE
THAN MINE
With a bigger gun that
Unjustified brutality
Unjustified brutality
Unjustified brutality
Unjustified brutality
