"Storm"

You are a part of me
You are a part of me
And I'll never be
All alone
Storm in front of me
rains pelting me
No I'll never be
All alone
Moving readily
Trying not to be
One of the worlds
clones.
The only bill to pay
no longer free
I crouch down beneath
the judge
I wanted more.
I've seen the storm ..coming..
Yet I wanted more.
Now I'm in the storm
You are a part of me
You are a part of me
No I'll never be
all alone..
Hand reaches for me
Through the dark I see
My eyes being lifted
up..
Praying for mercy
Much too late to see
That I have fallen
down.
I wanted more.
I've seen the storm ..coming..
Yet I wanted more.
Now I'm the storm
