How can a day be a day without a night? How can a win
be a win without a
Fight? I will not be shaken by the troubles up ahead; I'd
rather trust Your
Goodness instead...

Thank you for the heartbreak, thank you for the pain.
Thank you for the
Sadness on the gloomy days of rain. Thank you that the
hard times have a
Reason and rhyme. Thank you that the healing makes
the beauty shine. Thank
You for the heartbreak.

How could a love be a love without a cost? How could a
life be a life
Without the lost? No, I will trust my senses over
anything you say, oh it's
Harder, but it's better this way.

Thank you for the heartbreak, thank you for the pain.
Thank you for the
Sadness on the gloomy days of rain. Thank you that the
hard times have a
Reason and rhyme. Thank you that the healing makes
the beauty shine. Thank
You for the heartbreak.

When there's no sign of you. When I'm lost, hurt and
used. You are there
Hurting too...

Thank you for the heartbreak, thank you for the pain.
Thank you for the
Sadness on the gloomy days of rain. Even in my worst
times your my reason
And rhyme. Thank you that the healing makes the
beauty, it makes the
Beauty shine.

Thank you for the heartbreak.
Oh, thank you for the heartbreak.

Thank you for the heartbreak.

What if the road to the goal were the easiest road and I
never learned what
I know?
