I knew the times would come and now the times have
landed

With stinging abrasion As ready as I seem to be
Its never like I planned it, yeah

Pre-Chorus

Im wrestling my thoughts Im overcome

Would you give me up Im asking Lord

There's no where I sense Your presence here

So I will cry out, until I go

Chorus

From Protest to praise

Youre always amazing me

Youre changing me slow, but surely

And you're gonna see me to the end

How long will I be forgotten by You forever

Youre not making sense here

Seems like eternity has made a home between us,
yeah

Pre-Chorus/Chorus (2X)

Youre changing me slow

I just can't help but see it that way

Cuz you're gonna see me to the end
