Hear the words of the quintessential Lover
Feel the urgency
The Designer of the heart is beckoning
Those He longs to reach

No whims of emotion
It's heart-wired to my soul
The call left unanswered
Will quickly takes it's toll

(CHORUS)

Seek while he may be found
Delight him in this times
This is the invitation
We've been waiting for

Seek while he may be found
Call on Him while He's near
Don't you fear, He won't hide
And He's calling you back

Bold, He makes no hesitation
Like a kid with a crush
Proved it all in the instigation
When I was way out of touch

Oh, come all you thirsty
You broke and sorrowful
His justice and mercy
Will mend and make you whole

(CHORUS)

Seek while he may be found
Delight him in this times
This is the invitation
We've been waiting for

Seek while he may be found
Call on Him while He's near
Don't you fear, He won't hide
Just come like a child
Don't you fear, He is here

And He's calling you back home

In the opera of life the Composer is clear
Not cliched or love is sincere

(CHORUS)

Seek while he may be found
Delight him in this times
This is the invitation
We've been waiting for

Seek while he may be found
(And) Call on Him while He's near
Don't you fear, He won't hide
Just come like a child

Don't you fear, He is here
(And) He's calling you back home.
