Deliver me out of the sadness
Deliver me from all of the madness
Deliver me courage to guide me
Deliver me Your strength inside me

Chorus

All of my life
IÂ've been in hiding
Wishing there was someone just like You
Now that YouÂ're here
Now that IÂ've found You
I know that YouÂ're the One to pull me through

Deliver me loving and caring
Deliver me giving and sharing
Deliver me this cross that IÂ'm bearing

Oh, deliver me

Jesus, Jesus how I trust You
How IÂ've proved You oÂ'er and oÂ'er
Jesus, Jesus, precious Jesus
Deliver me
Come and pull me through
Come pull me through
