Anger, hostility towards the opposition

Anger, anger, anger, anger
Watch the capital
Boom boom boom boom down

187 L.A. trademark, don't come to the killing fields
If you ain't got no fucking heart
'Cuz Willie, Ira and Daryl will get you
Got you fucked up and dead
Will be the way of your walk, damn right

I hate L.A. swine with a passion gee
'Cuz my pops was killed by the fucking L.A.P.D
Yes they killed my daddy, yup they killed my daddy
And if I don't blast 'em back
You know they gonna fucking kill me

Do me like they did Natasha
Back turned from a gat hollow tip
To the dome they got ya
April 29, L.A., swine not guilty fools
Down for the payback on Florence and Normandy

Anger, anger, anger, anger, boom

I'm coming straight from that L.A. concrete
True blue motherfucker about for generations deep
But who's the real motherfucker though?
And what does that fake know about
Motherfucking South Central?

Fool, what you know about a set or a sign?
Fake motherfucker, never even seen a nine
But if I catch you slippin' punk
I'm gonna fade ya 'cuz I need ya
With that ghetto perpetrator

Anger, anger, anger, anger, boom
I got that anger, you got that anger
We got that anger, drop that motherfucking anger

April 29, Florence to Normandy, April 29, Florence to
Normandy
April 29, Florence to Normandy, April 29, Florence to
Normandy
April 29, Florence to Normandy, April 29, Florence to
Normandy

Jack for my human rights, I'm acting about it, can't you
fuck?
Jack for my human rights, I'm acting about it, can't you
fuck?
April 29, Florence to Normandy, April 29, Florence to
Normandy
April 29, Florence to Normandy, April 29, Florence to
Normandy

Fuck, fuck, fuck, fuck
Fuck, fuck, fuck, fuck, what?
Fuck, fuck, what? Fuck, fuck

Fuck, watch the capital boom, boom
Boom, boom, boom
Straight to a tomb fool
