Just, just, just because we rock the same style of tracks  
and we rock the same stage it don't put us on the same  
page like, like this

Talk all the shit you want but you know I got you  
listenin', gifted in mic rippin', unlimited linguistic  
fitness, district by district groove, move units but you  
lookin' clueless to the roots of this proven movement,  
300 and 60 degrees of complete me, when you see  
these believe the meaning in 3D, full contact with fat  
tracks out the habitat I'm at, check the format, contrast  
to fad acts

Rock it steady, steady rockin'

Rock it steady, steady rockin', I rock the mic in Philly,  
rock the mic in New York city, rock the mic in LA,  
vicinities infested with gang activity, someone's always  
trying to test my agility, can't retreat, have to keep my  
game and strategy, handling tragedies rapidly I keep  
advancing, let it be heavy, deadly hybrid specialty, all  
about theory, beats, technique and relativity, seek out  
my destiny written way out before me

Rock it steady, steady rockin'

Rock it steady, steady rockin', while you lost the gold  
and platinum I rock this anthem for kids strugglin' up in  
universal project slums, consensus, objection while you  
get numb across the millennium, Shatan prays on  
division, millions with melanin feel the tension,  
humanitarian unison must become one, spectacular  
speech patterns shatter chapters of debatin'  
slanderers, challengers, what are you after, all is not  
terminal, non-commercial circle, peace to the creator,  
who flows me through the hurdles, connection with my  
origin, alpha omega is my champion, get done what  
can't get done, El-Hajj-Malik, El Shabazz, El-Hajj-Malik,  
El Shabazz, El-Hajj-Malik, El Shabazz, El-Hajj-Malik, El  
Shabazz, rock it steady

Steady rockin'

Rock it steady

Steady rockin', uh

Keep it steady, keep it steady rockin', keep it steady,  
keep in my pocket, keep it steady, keep it steady  
rockin', keep it steady, keep in my pocket
