just like rats in a concrete maze  
they all starve for the wage raise bait  
i'm dying to escape  
self made men with their plastic cash  
big talk plans and kissing ass  
just ain't my strategy

uptown is gonna sell me  
downtown is gonna kill me  
uptown is gonna take me  
downtown i'm clenching to my soul  
uptown (oh)  
alive without control  
downtown (oh)  
alive without control  
uptown (oh)  
alive without control

puppet shows from 9-5  
they dress up slaves in a suit and tie  
they're living to die  
follow the leader not your heart  
simon says boy you'll go far  
like lemmings in the dark

uptown is gonna sell me  
downtown is gonna kill me  
uptown is gonna take me  
downtown i'm clenching to my soul  
uptown (oh)  
alive without control  
downtown (oh)  
alive without control  
uptown (oh)  
alive without control

i said uptown is gonna sell me  
downtown is gonna kill me  
uptown is gonna take me  
(oh no) i'm clenching to my soul  
uptown

uptown (oh)  
alive without control  
downtown (oh)  
alive without control  
uptown (oh)  
alive without control

uptown  
alive without control  
downtown  
alive without control  
uptown  
alive without control
