Well, I'm a modern day minority
Ain't got no culture or history
But what you get's really what you see

I've got 5-finger discount clothes
Bloody fingers and a runny nose
But this ain't the path I chose

'Cause I was fucked from the start
Like a modern piece of art
Standing on the corner out in the dark

Yeah, I was fucked from the start
Like a dirty needle in Pigeon Park
Maybe I was just fucked from the start

I refuse to pay my dues
So fuck the world and fuck you too
Don't waste my energy
'Cause you ain't got the bandages I need

'Cause I was fucked from the start
Like a modern piece of art
Standing on the corner out in the dark

Yeah, I was fucked from the start
Like a dirty needle in Pigeon Park
Maybe I was just fucked from the start

I was fucked, I was so fucked up
I was shit outta luck
It ain't my fault that the boy's gone nuts
I was just so fucked up

'Cause I was fucked from the start
I wanna tear myself apart
As I grab the knife and begin to carve

Yeah, I was fucked from the start
I've got two black eyes and a blacker heart
Maybe I was just fucked from the start
Baby, I was fucked
