Come on girl up top oaww yeaa oh
Ohh sleeping in holdin on to your pillow
Wishin he were here ohh wow wow wow
Yea it feels like no one cares about me (About me)
Ohhh nobody does (nobody nobody)

Leaf him alone mabe he will find
His way who nows yea yea yea yeaa oh
Yea find his way back Yea let it go let it go

He's stuck in a world his own little world
Yea oh you gotta let it go

Yea yea yea oh you think he's smart
But he thinks he's dumb nomader what you say
It's all about him you know that right(right right)
Ohh oh oh oh oh

His way who nows yea yea yea yeaa oh
Yea find his way back Yea let it go let it go

Oh oh let it go let it go let it go
Oh oh oh oh oh oh OH
Leaf him alone mabe he will find
His way who nows yea yea yea yeaa oh
Yea find his way back Yea let it go let it go

Yea yea yea yea
Let it go let it go let it go oh

Leaf him alone mabe he will find
His way who nows yea yea yea yeaa oh
Yea find his way back Yea let it go let it go

Let it go let it go let it go... YEA LET IT GO!
