It's been so long  
Since I've been here  
It seems like years  
Since I've seen you, my dear

All those days are gone  
Did you find what you were looking for?  
Is your life complete?  
Or is it missing me?

If you wanna get it  
You gotta get it while it's still young  
If you wanna get it, get it on  
Get it on, get it on

It's so damn nice  
To see you here  
I remember every face  
As if it was only yesterday

And it feels so good  
Feeling up your old neighborhood  
Everything has changed  
But one thing remains

If you wanna get it  
You gotta get it while it's still young  
If you wanna get it, get it on  
Get it on, get it on

If you wanna get it  
You gotta get it while it's still young  
If you wanna get it, get it on  
Get it on, get it on

Get it on

If you wanna get it  
You gotta get it while it's still young  
If you wanna get it, get it on  
Get it on, get it on

If you wanna get it  
You gotta get it while it's still young  
If you wanna get it, get it on  
Get it on, get it on

Get it on  
Get it on, get it on  
Get it on  
Get it on, get it on

Get it on  
Get it on, get it on  
Get it on  
Get it on, get it on

Get it on  
Get it on, get it on  
Get it on  
Get it on, get it on

Get it on  
Get it on, get it on  
Get it on  
Get it on, get it on

Get it on  
Get it on, get it on  
Get it on  
Get it on, get it on

Get it on  
Get it on, get it on  
Get it on  
Get it on, get it on
