Oh no

I said, "Boy, don't you be naive  
You get off your knees  
That ain't no way to dance"

You see them walking down the street  
The queens of queens you'd love to meet  
But now you ain't got no chance

Yes, you'd love to take one home, yeah yeah  
They'll leave you all alone, yeah yeah  
They come and they go, yeah yeah  
They're no tomorrow girls, go

It's like chasing a sweet silhouette  
The closer you get  
The less you understand

You see them drinking in a club  
They're drinking rye, you're drunk on love  
But now you ain't got no chance

'Cause you'd love to take one home, yeah yeah  
They'll leave you all alone, yeah yeah  
They come and they go, yeah yeah  
They're no tomorrow girls, go

Yesterday's a passing phase  
See them pass you by  
The future's shining brightly in their thighs  
In their thighs, in your eyes, in their thighs

You'd love to take one home, yeah yeah  
They'll leave you all alone, yeah yeah  
They come and they go, yeah yeah  
They're no tomorrow girls

They live to rock 'n' roll, yeah yeah  
They're wild without control, yeah yeah  
The only ones I know, yeah yeah  
Are no tomorrow girls

No tomorrow girls  
No tomorrow girls  
No tomorrow girls, go
