Some days so far away a little girl
Sits at home waitin and waitin for momma
There is nothing a little girl can't figure out
With her momma hidin behind that mask
Oh yea aww oh

The little girl sitin at home
Waitin and waitin for her
Momma
Waitin for her to sing her a lily
Good night

Oh ohh yea
She was sitin home holdin tight on
She wished her momma would
Come home There is nothing a little girl can't figure out
With her momma hidin behind that mask
Oh yea aww oh Nobody nows what she's holdin on
Oh yea umm oww mu ua yea

The little girl sitin at home
Waitin and waitin for her
Momma
Waitin for her to sing her a lily
Good night

Open your eyes see you what you done
There is nothing a little girl can't figure out
With her momma hidin behind that mask

The little girl sitin at home
Waitin and waitin for her
Momma
Waitin for her to sing her a lily
Good night

The little girl sitin at home
Waitin and waitin for her
Momma
Waitin for her to sing her a lily
Good night

Waitin' and waitin'
