Gone

Your so gone your leavin me behinde
Yea ohh oh your words you speak
Your gental touch that touches me
I feel so great inside but yuo left me behind

Its so sad your leavin me
Your leavin me behinde bacause your so gone
Gone,gone,gone,gone,gone
It so sad your gone gone
Gone,gone,gone

Did you plan you were gone to leave me ohh
But your out of this world
And theres nothing I could to stop it
With your expertes(high)

(Course)

You knew you were gonna leave me so why did you say
it wasn't right all you need to do was say (say)
We could be just waohh(long,kind of high)

(Course)

Gone gone your gone ohh...
