(I came to play)
I came to play
There's a price to pay
Time for you to get down on your knees and pray
(I came to pay)
Say goodbye to the good old days
Their never coming back
Watch your future fade
(I came to play)
I came to play
To get my dues paid
I guess you had a dream
But it can't be saved
I came to play

I'm here to stay
Best get out of my way

(I came to play)
I came to play
There's a price to pay
Time for you to get down on your knees and pray
(I came to pay)
Say goodbye to the good old days
Their never coming back
Watch your future fade
(I came to play)
I came to play
To get my dues paid
I guess you had a dream
But it can't be saved
(I came to play)

I'm here to stay
Best get out of my way (outta my way)
I'm here to stay
Best get out of my way
I came to play

Run away if you see me
Don't even say my name
Don't think that you can know me

Don't try and play that game
Every day that I get better
I watch as you get worse
My script is too the letter
And I'll write your final verse

I am here to stay (Well I'm here to stay)
And I have come to play

(I came to play)
I came to play
There's a price to pay
Time for you to get down on your knees and pray
(I came to pay)
Say goodbye to the good old days
Their never coming back
Watch your future fade
(I came to play)
I came to play to get my dues paid
I guess you had a dream
But it can't be saved
(I came to play)

I'm here to stay
Best get out of my way
I came to play

I go inside this light
I see new life unfold
Each second I burn brighter
Your fire is going cold
You could try to beg for mercy
Go ahead and try to run
No escape and no redemption
Understand the ends begun

I am here to stay (Well I'm here to stay)
And I have come to play

(I came to play)
I came to play
There's a price to pay
Time for you to get down on your knees and pray
(I came to pay)
Say goodbye to the good old days
Their never coming back
Watch your future fade
(I came to play)
I came to play to get my dues paid
I guess you had a dream
But it can't be saved

I came to play

I'm here to stay

Best get out of my way (outta my way)

See all these lights there glowing

Hear all these people cheer

Feel all the love that's flowing

All just because I'm here

Get up and on your feet (get up)

Get your hands up in the air (get your hands up)

What you know about taking me down (yea)

I

Came

To

Play

(I came to play)

I came to play

There's a price to pay

Time for you to get down on your knees and pray

(I came to pay)

Say goodbye to the good old days

Thier never coming back

Watch your future fade

(I came to play)

I came to play to get my dues paid

I guess you had a dream

But it can't be safe

I came to play

I'm here to stay

Best get out of my way

(I came to play)

I came to play

There's a price to pay

Time for you to get down on your knees and pray

(I came to pay)

Say goodbye to the good old days

Their never coming back

Watch your future fade

(I came to play)

I came to play to get my dues paid

I guess you had a dream

But it can't be saved

I came to play

I'm here to stay

Best get out of my way (outta my way)

I'm here to stay
Best get out of my way
I came to play
