Sitting, waiting  
For the fall through  
I still know  
Do you  
Trapped inside  
My head of shame  
Should I tell  
Or lie

Eye confide  
Should I trust you  
I don't know if you'd even care

Collapsing, struggling  
Stuck in between  
I'd say I'm afraid  
Another lie  
Sitting, waiting  
For the fall through  
I still know  
Do you  
Eye confide  
Should I trust you  
I don't know if you'd even care

Eye confide  
Do you trust me  
For my soul maybe I'd confide

In my world I show you  
Can I trust you to care  
If I tell you my soul  
Will you still be here

Eye confide  
Eye confide in you

No I can't trust  
You I can't trust

Eye confide
