Every now and then a special friend, wont let me fall,
let me fall
Every now and then a special friend, wont let me fall,
let me fall
Let me fall behind
1-2, cuz I fuckin said so
1-2, cuz I fuckin said so

Every now and then a special friend, wont let me fall,
let me fall
Every now and then a special friend, wont let me fall,
let me fall
Let me fall behind
1-2, cuz I fuckin said so
1-2, cuz I fuckin said so

'Cause James is on a Noble Quest and I will follow
'Cause Brenden is on a Noble Quest and I will follow
'Cause we 're on a noble quest and it goes like this...
I'm on a noble quest
I'm on a noble quest
I'm on a noble quest
I'm on a noble quest
