Don't let me down
Is what she had to say
For years now
I've learned to decide
Who I know will lie to me

Can't wait for
Disaster
My heart can't beat any faster
Than yours
Than yours

Fall down for me
Get down on your knees

Open your mind and breathe air
Oh
Take my hand and we'll be there
Oh

Too late to turn around
The days that I have lived
But now
Look forward she said to me
To me
And pray for better days

Open your mind and breathe air
Oh
Take my hand and we'll be there
Oh
Open your mind and breathe air
Oh
Close your eyes and we'll be there
Oh

Leave it to me I'm the one that can make it OK
Thank you for breaking me out so now I can be free
My mind is set so I can lead

Open your mind and breathe air
Oh

Take my hand and we'll be there
Oh
Open your mind and breathe air
Oh
Close your eyes and we'll be there
Oh

Can't wait for
Disaster
My heart can't beat any faster
Than yours
Than yours
Can't wait for
Disaster
My heart can't beat any faster
Than yours
Than yours
