Don't let it go to waste  
The motivation  
To give yourself away for humiliation

I can go on and on and not be scared  
I can run far and long and not be burned  
And not be burned

Dig through my bones  
And try to find what's breaking  
But all you'll find is  
There's no way out

Risks are what I take  
As I write this down  
I'll be risking everything  
Everything

I can go on and on and not be scared  
I can run far and long and not be burned  
Not be burned

Dig through my bones  
And try to find what's breaking  
But all you'll find is  
There's no way out  
I've tried to  
Tried to decide  
What is pulling me down  
The time is  
The time is running down for me  
To save myself  
I've tried to  
Tried to decide  
What is pulling me down  
The time is  
The time is running down for me  
To save myself

Dig through my bones  
And try to find what's breaking  
But all you'll find is

There's no way out  
Dig through my bones  
And try to find what's breaking  
But all you'll find is  
There's no way out
