So you  
Can take this ball and chain  
And wash it down with these pills  
And take a chance if you will  
And we can leave, and you  
Can take this ball and chain  
And do what we will

And you  
Can take this ball and chain  
And wash it down with these pills  
I don't mind  
I don't mind

We can take the long way home  
And do what we want  
And do what we want

We can take the long way home  
We can take the long way home  
And we go (and we go)  
And we go (and we go)  
And we go (and we go)  
Go (and we go)  
And we go (and we go)  
And we go (and we go)  
Go (and we go)

I got the guarantee  
We got the guarantee  
I got the guarantee  
We are on our way home  
I got the guarantee  
We got the guarantee  
I got the guarantee  
We are on our way home  
I got the guarantee  
We got the guarantee  
I got the guarantee  
We are on our way home  
I got the guarantee  
We got the guarantee

I got the guarantee  
We are on our way home

On our way home  
On our way home  
On our way home (on our way home)  
On our way home (on our way home)

I got the guarantee  
We got the guarantee  
I got the guarantee  
We are on our way home  
I got the guarantee  
We got the guarantee  
I got the guarantee  
We are on our way home  
I got the guarantee  
We got the guarantee  
I got the guarantee  
We are on our way home  
I got the guarantee  
We got the guarantee  
I got the guarantee  
We are on our way home
