Yesterday  
It seems far away  
And this time I won't take the chance at all  
Yesterday  
It seems far away  
And this time I won't take the chance at all

Take this chance away  
On our anniversary

So why don't you get out of this place (so why don't you  
get out of this place?)  
And waste away?  
So why don't we get out of this place (so why don't we  
get out of this place?)  
And waste away?

We're so obvious, we're so cool  
The naked eye can see that we're not fools

Take this chance away, yeah  
On our anniversary

So why don't you get out of this place (so why don't you  
get out of this place?)  
And waste away?  
So why don't we get out of this place (so why don't we  
get out of this place?)  
And waste away?

We're so obvious, we're so cool  
The naked eye can see that we're not fools

On and on again  
I swear that we're still friends  
On and on again  
I swear that we're still friends

On our own two feet again  
On our own two feet again  
On our own two feet again  
On our own two feet again

We're so obvious, we're so cool  
The naked eye can see that we're not fools  
We're so obvious, we're so cool  
The naked eye can see that we're not fools  
We're so obvious, we're so cool (on our own two feet  
again)  
The naked eye can see that we're not fools (on our own  
two feet again)  
We're so obvious, we're so cool (on our own two feet  
again)  
The naked eye can see that we're not fools (on our own  
two feet again)
