Lying in my bed I hear the
Clock tick and I think of you
Caught up in circles
Confusion is nothing new

Flashback to warm nights
Almost left behind
Suitcase of memories
Time after sometimes

You picture me
I'm walking too far ahead
You're calling to me
I can't hear what you've said

And you say go slow, I fall behind
The second hand unwinds

If you're lost, you can look
And you will find me
Time after time
If you fall I will catch you,
I'll be waiting
Time after time

After my picture fades
And darkness has turned to gray
Watching through windows
You're wondering if I'm OK
Secrets stolen from deep inside
The drum beats out of time

If you're lost, you can look
And you will find me
Time after time
If you fall I will catch you,
I'll be waiting
Time after time

And you say go slow, I fall behind
The second hand unwinds

If you're lost, you can look
And you will find me
Time after time
If you fall I will catch you,
I'll be waiting
Time after time

Time after time...
