Believe in what you think is real
The time it takes for her to steal
It's you
It's you
It's true
It's true
Always

Feast your eyes over there
The perfect gun to keep you undone
You know that she's the one
Believe it or not you're staring at her hips
A cigarette in between her lips
The prize is in the bag
Yeah

She knew before she came
She likes to play the game
She's all the time in the world
(It's true)
(It's true)
(Always)

Worlds collide in between your heads
The smell of men wanted her instead
Her intent is just to play
Yeah

She knew before she came
She likes to play the game
She's all the time in the world

Believe in what you think is real
The time it takes for her to steal
It's you
It's you
(Trying to get her)
It's true
It's true
Always
(To her it's just a game)

She moves like the devil
And knows what is evil
She'll rip your heart out
And find another prey

Believe in what you think is real
(What you think is real)
The time it takes for her to steal
(Time it takes for her to steal)
It's you
It's you
(Trying to get her)
It's true
It's true
Always
(To her it's just a game)

It's on you
It's on you
It's on you
It's on you
