I love the way you walk
I love the way you talk
I'm crazy 'bout your walk
I'm crazy 'bout your talk
I love the way you walk
You my babe, I got my eyes on you

I like the way you smile
Well, I love the way you smile
When you smile you smile
I love your big ol' smile
I love the way you smile
You my babe, I got my eyes on you

Well, I see you ev'ry day
Well, I see you ev'ry day
In your neighborhood
Well, I see you ev'ry day
I love the way you walk
You my babe, I got my eyes on you

I like the way you switch
I love the way you switch
With your red dress on
I love the way you switch
I love the way you walk
You my babe, I got my eyes on you

You got dimples in your jaw
You got dimples in your jaw
You got dimples in your jaw
You got dimples in your jaw
I love the way you walk
You my babe, I got my eyes on you
