

## Doyle Bramhall "She's Gone"

Visit "[She's Gone](#)" on MotoLyrics.com

Well, I know you don't love me  
Hey, I know the reason why  
Well, I know you don't love me  
Baby, I know the reason why

Well, you take all of my money  
And you treat me like a child  
Like a little child

Well, now the woman I love  
Baby, done been here and gone  
Well, now the woman I love  
Well, done been here and gone

Well, now if things don't change  
You know I ain't gonna be here long  
Be here long

I ain't gonna be here long  
Ain't gonna be here long  
I ain't gonna be here long  
Ain't gonna be here long

I ain't gonna be here long  
Ain't gonna be here long  
I ain't gonna be here long  
Ain't gonna be here long

I ain't gonna be here long  
Ain't gonna be here long  
She's gone, she's gone, she's gone  
She's gone boy, she's gone, she's gone

For long, how I miss ya, baby  
She's gone  
Oh, my baby's gone, she's gone  
I'm ain't gonna be here long

Well, I'm leaving my baby  
And I really don't want to go  
Well, I'm leaving my baby  
And I really don't want to go

Well, she got her another man  
And, she don't want me no more  
She, don't want me no more  
She, don't want me no more

It's alright, it's alright, boy  
It's alright, it's alright, alright  
Alright, it's alright, babe  
Yeah hey, it's alright, darling
