Life, life, isn't for everyone  
Life, life is for everyone

Then and now wait for your trouble  
To take on sufferin', make it your pain, your pain  
But you know, you'll always give, get nothin' back

Life, life, isn't for everyone  
Life, life is for everyone, listen now

Keep me down under your thumb, thumb  
You're always out there makin' your thing, your thing  
But you need to remember, baby  
You'll always give, get nothin' back

Closer you get to the edge and you're floatin' away  
Closer you get, your last breath in the air  
And you're gone away

Life, life, isn't for everyone  
Life, life is for everyone  
Life, life down isn't for everyone  
Life, life down isn't for every, everyone
