Soul Shaker... You've got a hold on me..
Turn me on... Don't turn your heat up now..
ooohoo oo... ooohoo oo..
Day Dreamer... Everything at my feet..
Dream maker now... Your love is everywhere..
ooohoo oo... ooohoo oo..
Chorus:
Shake it up... You really do it to me..
Shake it up... You've got me in a swing..
Shake it up... Like birds of a feather..
Shake it up... Where my words don't really matter..
Touch me baby... You're an electric vibe..
So beautiful now... Let me stand in your light..
ooohoo oo... ooohoo oo..
Shake me up... Got that kind of feel right..
Caress me baby... Give me some of that feel right..
ooohoo oo... ooohoo oo..
ooohoo oo... ooohoo oo..
ooohoo oo... ooohoo oo..
ooohoo oo... ooohoo oo..
ooohoo oo... ooohoo oo..
Shake it up... Shake it up...
Shake it up... Shake it up...
Shake it up... Shake it up...
Shake it up...
