[Knightowl]

Back the fuck up and never rush a fool like me
Or be the next I leave in misery
Up in this game we all the mothafuckin same
You oughta know by now bullets have no name
So think about it would you like to beocme the next
To get the lead engraved all up in your fuckin chest
I'll crack a mothafuckas dome and watch them bleed
My 38 snub nose I have got to feed
I watch em all collapse they're taking naps in dirt
I'm tryin to kill mothafuckas I don't wanna hurt
Who be the next to try and step to me and die
It's too fuckin late mothafucka not don't you cry
You made the choice so now you got to fuckin pay
You played the game so now you got no fuckin brains
You rest in piss cause you was trien to fuckin diss
You be that PUNK MOTHAFUCKA that don't exists

[Chorus]

Best think about the shit that you be doin
I'm still down for the neighborhood I grew
And if you keep messin around you'll be ruin
The Knightowl fuckin landed

[Knightowl]

So best to learn a fuckin lesson and take a seat

But if you be the kind that talks I'll shatter you like glass
