It's another back-door sneakin' in  
Where you been midnight?  
Quiet as a mack truck, lots-a luck  
Thinkin' up an alibi

But every light in the house is on  
Everything is gone

She left me no chance at redemption  
No further exemption  
Just a big red goodbye and lipstick on the wall  
Goodbye says it all

No long explanation, no reconciliation  
No let's talk it over number, I can call  
Goodbye says it all  
Goodbye

She could have thrown a knock-down  
Scream-and-shout, have-it-out tirade  
She could have made it real tough, bringin' up  
All the hell that I raised

No more wasted words on me  
No she kept it short and sweet

She left me no chance at redemption  
No further exemption  
Just a big red goodbye and lipstick on the wall  
Goodbye says it all

No long explanation, no reconciliation  
No let's talk it over number, I can call  
Goodbye says it all  
Goodbye

No more wasted words on me  
No she kept short and sweet

She left me no chance at redemption  
No further exemption  
Just a big red goodbye and lipstick on the wall

Goodbye says it all

No long explanation, no reconciliation

No let's talk it over number, I can call

Goodbye says it all

Goodbye

Goodbye, goodbye says it all
