Sit down here
Beside me
It's been so long since we've been real
No small talk
No smoke screens
It's time we talk about what we don't feel
These are the hardest words
I've ever had to say

It ain't about love anymore
We're just holdin' on to a dream this is gone
This ain't about us anymore
And it's just about ime we let og
I'll let go when I walk out that door
You'll know
It ain't about love anymore

It's not fair
To hurt you
I know you tried to do your part
A cold wind
Blows through me
It's been a ghost town in my lonely heart
This is the hardest thing
I've ever had to do

It ain't about love anymore
We're just holdin' on to a dream this is gone
This ain't about us anymore
And it's just about ime we let og
I'll let go when I walk out that door
You'll know
It ain't about love anymore

These are the hardest words
I've ever had to say

It ain't about love anymore
We're just holdin' on to a dream this is gone
This ain't about us anymore
And it's just about ime we let og
I'll let go when I walk out that door

You'll know
It ain't about love anymore
