She's waiting
For someone
Who could turn her life around
Someone who could make her feel
The way she used to feel
But he never comes

She's dated,
But noone that she cares to talk about
And all the flowers in the world
Don't amount to much
When what you want is love

Chorus
And she'd give anything,
And everything,
To fall in love
Just this one time,
She'd like to find,
What she's been dreaming of
Well she could find someone to hold her
But that wouldn't be enough
Cuz she'd give anything to fall in love

Now she's naked,
Just like she'd rather be
Someplace else
Staring cross the bar
Lost in herself
Will he ever come?

Cuz she'd give anything,
And everything
To fall in love
Just this one time
She'd like to find
What she's been dreaming of
Well she could find someone to hold her
But that wouldn't be enough
Cuz she'd give anything to fall in love

She's gonna keep on making wishes
She's gonna keep on being strong
She won't settle for less than true love
She's gonna keep on holding on

She'd give anything,
And everything
To fall in love
Just this one time
She'd like to find
What she's been dreaming of
She could find someone to hold her
But that wouldn't be enough
Cuz she'd give anything to fall in love

She'd give anything,
To fall in love
In love
