DR DRE

"Ask Yourself A Question (Bonus Cut)"

[Intro: Kurupt]

Check it out

Here's a penny for your thoughts

A nicklebag of bliss

An M-16 with eighteen clips

I'm all set to bust, treacherous

Illustrious, homie don't question us

Just ask yourself the question

How many hoes can I fuck in one night?

Just ask yourself the question, nigga

How many niggaz can I blast on sight?

[Verse One: Kurupt]

I'm ferocious, and you knows this nigga

Bitches wear skirts, shake ass and bump

I pop pistols, that's all I do

I pop one at him and pop two at you

I'm illusive, I'ma glock it

Pistol popping activist with the key to the bucket

I rip your pockets of the side of your pants

You glare to the side and you glance, I'm in my G-Boy stance

How the fuck you make it this far?

No matter where you at, or who you are

People treat me like Kareem Abdul Jabbar

I hear ooh's and aah's when I jumps in my car

Just from last night you can tell

that I'm addicted to the fast life

Shouts out to my homeboys Mad and Quell

You go on and fuck Misty, while I fuck Michelle

[Chorus: Kurupt]

Just ask yourself the question

How many hoes can I fuck in one night?  
Just ask yourself the question  
How many niggaz can I blast on sight?  
Just ask yourself the question  
(Girl: Is it cool to ride) or is it cool to fuck?  
Just ask yourself the question  
I don't know why these motherfuckers wanna fuck with  
us

[Verse Two: Kurupt]

What you wanna do, penetrate me?  
Bump my crib? Bust and fuck my bitch, nigga?  
I never thought a nigga would trip  
off a little piece of ass that he know he could get  
Any day (any day) and any time (any time)  
You're a vegetarian (what?), I like beef, turkey and  
pork  
Fish and chips, chips and dip  
Fuck it, hand me my knife and my fork  
I'm not too picky nigga, Kurupt young Gotti  
A.K.A. Low Ricky nigga (what up momma?)  
Substantialar, tyrannosaurus, gigantic titanic tarantula.  
On a creep homie, wake up  
Don't sleep homie, supposed to know it  
Look, I'm hazardous to health, nigga, bitch, nigga  
Don't ask me shit 'till you ask yourself

[Chorus: Dr. Dre & Kurupt]

Just ask yourself the question  
How many hoes can I fuck in one night?  
Just ask yourself the question  
How many niggaz can I blast on sight?  
Just ask yourself the question  
(Girl: Is it cool to ride) or is it cool to fuck?  
Just ask yourself the question  
I don't know why these motherfuckers wanna fuck with  
us

[Verse Three: Dr. Dre]

What the fuck is up? Man life's a bitch  
You gotta put your pistol to the sky,  
kill a million motherfuckers and get high in order to be  
cool  
Man, you're a motherfucking fool (speak to these  
niggaz)  
I thought the same way, back in the days  
Young, with a lack on daily things  
Never thought too much, homie, never trip

I got drunk as fuck, the homies blaze sticks  
Look out for them niggaz out to catch us  
So I'ma stay forgetting to tank your pistol with you (your  
pistol nigga)  
Niggaz get swallowed in the game  
I cock and bust hollows to peer, duck and frame  
Yo nigga, that shit sounds like I did it  
Don't blaze the ??? without the top bullet  
Niggaz look like they're doped up like tired bitches  
With the eyes wide gone you spit the hard boom  
Wiping shit the fuck out like typhoons  
With the little homeboys, T-bone and cartoons  
Motherfucker don't ask me for shit  
Fuck everything you believe in, little bitch

[Chorus: Kurupt]

Just ask yourself the question  
How many hoes can I fuck in one night?  
Just ask yourself the question  
How many niggaz can I blast on sight?  
Just ask yourself the question  
(Girl: Is it cool to ride) or is it cool to fuck?  
Just ask yourself the question  
I don't know why these motherfuckers wanna fuck with  
us
