[Chorus]

I'm about to lose my mind  
You've been gone for so long  
I'm running out of time  
I need a doctor  
Call me a doctor  
I need a doctor, doctor  
To bring me back to life

[Eminem]

I told the World one day I would pay it back  
Say it on tape, and lay it, record it  
So that one day I could play it back  
But I don't even know if I would leave it when I'm saying  
that  
doubt start to creep in, everyday it's so grey and black  
Hope I just need a ray of that  
Cause no one see's my vision when I play it for em  
They just say it's wack  
Thye don't know what dope is  
And I don't know if I was awake or asleep  
When I wrote this,  
All I know is you came to me when I was at my lowest  
You picked me up, breathing life in me  
I owe my life to you  
But for the life of me, I don't see why you don't see like  
I do  
But it just dawned on me you lost a son  
See this light in you, it's dark  
Let me turn on the lights and brigthen me and  
enlighten you  
I don't think you realize what you mean to me  
Not the slightest clue  
Cause me and you were like a crew  
I was like your sidekick  
You gon either wanna fight me when I get off this  
fucking mic  
Or you gon hug me  
But I'm not an option, there's nothing else I can do  
cause...

[Chorus]

I'm about to lose my mind  
You've been gone for so long  
I'm running out of time  
I need a doctor  
Call me a doctor  
I need a doctor, doctor  
To bring me back to life

[Eminem]

It hurts when I see you struggle  
You come to me with ideas  
You say there pieces so I'm puzzled  
Cause the shit I hear is crazy  
But your either getting lazy or you don't believe in you  
no more  
Seems like your own opinions not one you can form  
Can't make a decision you keep questioning yourself  
Second guessing and it's almost like your begging for  
my help  
Like I'm your leader  
Your susposed to be my fucking mentor  
I can endure no more,  
I demand you remember who you are  
It was YOU, who believed in me  
When everyone was telling you don't sign me  
Everyone at the fucking label, lets tell the truth  
You risked your career for me  
I know it as well as you  
Nobody wanted to fuck with the white boy  
That's why I'm crying in this booth  
You saved my life, now maybe it's my time to save  
yours  
But I can never repay you what you did for me is way  
more  
But I aint giving up faith and you aint giving up on me  
Get up Dre, I'm dying I need you, come back for fucks  
sake

[Chorus]

I'm about to lose my mind  
You've been gone for so long  
I'm running out of time  
I need a doctor  
Call me a doctor  
I need a doctor, doctor  
To bring me back to life  
Bring me back to life  
Bring me back to life

(I need a doctor, doctor

To bring me back to life)

[Dr Dre]

It literally feels like a lifetime ago  
But I still remember the shit like it was yesterday  
though  
You walked in, yellow jump suit  
Whole room, cracked jokes  
Once you got inside the booth, told you, like smoke  
Went through friends, some of them I put on  
But they just left, they said they was riding to the death  
But where the fuck are they now  
Now that I need them I don't see none of them  
All I see is Slim  
Fuck all you fair-weather friends  
All I need is him  
Fucking backstabbers  
When the chips were down you just laughed at us  
Now you bout to feel the wrath of aftermath, faggots  
You gon see us in our lab jackets and ask us where the  
fuck we been?  
You can kiss my indecisive ass crack maggots and the  
crackers ass  
Little crack a jack beat making wack math,  
Backwards producers, I'm back bastards  
One more CD and then I'm packing up my bags and as  
I'm leaving again  
I'll guarantee they scream Dre don't leave us like that  
man cause...

[Chorus]

I'm about to lose my mind  
You've been gone for so long  
I'm running out of time  
I need a doctor  
Call me a doctor  
I need a doctor, doctor  
To bring me back to life  
Bring me back to life  
Bring me back to life
