Artist: Dr. Dre & Ice Cube

[Dr. Dre]

Journey with me

Into the mind of a maniac

Doomed to be a killer

Since I came out the nutsac

I'm in a murderous mindsate

With a heart full of terror

I see the devil in the mirror

BUCK BUCK, Lights out

Cause when I get my sawed off

Niggaz get hauled off (Ice Cube: haha barrel one)

Touches your motherfuckin flesh (Ice Cube: barrel two)

Shoots your fuckin heart out your chest

You see I'm quick to let the hammer go click

On my Tec-9 so if you try to reck mine

Fool it's your bad time

Feel the blast of the chocolate bomber

Infra red aimed at your head

Like your name was Sarah Conner

Decapitatin I ain't hesitatin

To put you in the funderal home

With a bullet in your dome

I'm hot like lava

You got a problem?

I got a problem solver

And his name is revolver

It's like a deadly game of freeze tag

I touch you with a 44 mag

And your frozen inside a boddy bag

Nobody iller

Than this graveyard filler

Cap peeler

Cause I'm a Natural Born Killa

[Ice Cube]

Terror illustrates my era

Now I can't hang around my momma

Cause I scare her

I'm quick to blast motherfucker

(Dr. Dre: yeah what's up)

It feels like I'm bustin a nut  
When I open you up  
Cause your body is exposed to the midnight mist  
All you weak motherfuckers give my ring a kiss  
Cause I'm givin dirt naps  
Comin with them bomb ass raps  
To make your lungs collapse  
Perhaps, you never sleep  
Cause evertime you doze  
You catch blows to the motherfuckin nose  
Ain't seen the sun, in 66 days  
Let me count the ways in a fucked up maze  
I never ever ever made a hoe stay  
But I'm down with Dre  
Like AC is down with OJ  
So fuck how your livin  
I'm the unforgivin  
Psycho drivin  
Murdera  
It's authentic  
Don't panic  
I can't stand it  
God Damn it  
Scizophrenic  
So fuck Charlie Manson  
I'll snatch him out of his truck  
Hit 'em with a brick  
And I'm dancin

[RBX]

Mass Murderer, Natural Born Killla,  
And I don't wanna die  
I DON'T WANNA DIE  
I DON'T WANNA  
I DON'T WANNAAAAAAAAAAAAAAAAAAAAAAAAAAAA DIE!

[Ice Cube]

I don't understand the logic in my dreams  
But I understand I like the sound of Sireens  
Terrified screams from the streams  
Of Strycnine  
Dumpin on any motherfucker tryin to trick mine  
Cause motherfuckers wanna violate  
Now they stiff and cold  
And they pupils won't dialate  
IT'S SO MUCH PAIN  
MIGRAINE  
Headache  
I can hear his bones break  
He steps in the single door  
Gets his ass whipped with 20 lashes

Like that dude up in Singapore  
So I'm a pull a fuckin Jeffrey Dahmer  
Now I'm suicidal, just like Nirvana

[Dr. Dre]

Tic Toc  
Toc Tic Toc Tic  
Dr. Dre and Ice Cube on some murderous shit  
Keepin niggaz in order  
Makin there live shorter  
Ready to slaughter  
Cause to me a life ain't worth a quarter  
Or a dime  
Mushroom's got my mind  
Hallucinatin  
Ain't no debatin  
I'm creatin an escape  
Route to be out without a doubt  
Scot Free, so don't even think about tryin to stop me  
Cause I can't wait  
I'm out the gate  
On the for realla  
A thrilla  
Or a Natural Born Killa

[Ice Cube]

Gi-Gi Gi-Gi Ga-Ga  
They call me Da-Da  
6 million ways to murder  
Choose one  
Lose one soul  
Bodies turn cold  
Natural fright from niggaz goin bump in the night

Should I peely  
Should I kill her in my iller  
Then a Natural Born Killa  
\*repeats 3x\*
