A drop in the ocean
A change in the weather
I was praying that you and me might end up together
Its like wishing for rain as i stand in the desert
But i'm holding you closer than most,
Cause you are my heaven.

I dont wanna waste the weekend
If you dont love me, pretend a few more hours, then its
time to go
As my train rolls down the east coast I wonder how you
keep warm
Its too late to cry
To broken to move on
And still i cant let you be
Most nights i hardly sleep
Don't take what you dont need from me

Its just a drop in the ocean
A change in the weather
I was praying that you and me might end up together
Its like wishing for rain as i stand in the desert
But i'm holding you closer than most,
Cause you are my heaven.

Misplaced trust and old friends
Never counting regrets
But a grace of god i do not rest at all
In new England as the leaves change
The last excuse ill claim, i was a boy who loved a
women like a little girl
And still i cant let you be
Most nights i hardly sleep
Dont take what you dont need from me

Its just a drop in the ocean
A change in the weather
I was praying that you and me might end up together
Its like wishing for rain as i stand in the desert
But i'm holding you closer than most,
Cause you are my,

Heaven doesnt seem far away anymore no no
Heaven doesnt seem far away
Heaven doesnt seem far away anymore no no
Heaven doesnt seem far away

A drop in the ocean
A change in the weather
I was praying that you and me might end up together
Its like wishing for rain as i stand in the desert
But i'm holding you closer than most,
Cause you are my heaven.

You are my heaven
