[Mimi]

Just hit me up when you need  
Sex, endo and Hennessy  
Won't you just put it on me  
I just want your company  
(Come on baby) Put it on me  
Relax and come chill with me  
Kick back I got what you need  
Won't you just put it on me

[Dr. Dre]

We back, we mack, stay blunted  
Knee pads, yo hoes they wanted  
Penthouse two o'clock eleven hundred  
It aint no fun if I can't reroute your hoes in this direction  
Swerve in the intersection, I'm done she restin'  
No question, done session  
Home wreckin', Doc motherfuckin Dre no guessin  
Nothin less than, I mess when I'm sexin  
Bang on the block  
Even Asian bitches like to bang cock  
Draws drop, she bunny hops  
On it like a pro, she comes out the clothes

[DJ Quik]

But, uh, she flips the dildos  
Whether in the Pumps, Nikes or the steel toes  
Dre, you can spot it in the benzos  
Squawtin real low, got me drivin real slow, she's a real  
ho  
And even though her parents spent the fat chip  
On that private school chip  
She graduated, got some thug dick and flipped  
No more checkered sweater, vest and plaid skirts  
She's out here naked more or less and that hurts  
But she's in good hands, cause Suga Free palmin

He sent her to the Sheraton with Thomas  
If you need 'em they at 310-629-9755  
You hit 'em and they let you know when she's arrived  
Oh she okay she just runnin an errand  
With this Portuguese dime piece named Karen  
Bouncin through the mall, spottin 'em all  
A sucker for a dick sucker ready to fall  
For a daughter like yours  
Got him pattin his pocket and comin out his drawers  
Layin his jacket on puddles, openin the doors  
All for what?  
Because I promised her my name gave her the game  
and still aint fucked

[Mimi]

Just hit me up when you need  
Sex, endo and Hennessey  
Won't you just put it on me
