[Doyle Lawson & Quicksilver]

Weeeeeeeeeeeeeeeell.

You gotta dig a little deeper,
if that girl's a keeper,
Lose a little bit of your pride,
You gotta dig a little deeper,
if you wanna keep her,
Keep her satisfied.

You spend your life,
a runnin' around,
Out there on the road,
Leavin' your woman a settin' at home,
To shoulder all a the load.

You gotta dig a little deeper,
if that girl's a keeper,
Lose a little bit of your pride,
You gotta dig a little deeper,
if you wanna keep her,
Keep her satisfied.

(Instrumentals)

Well now love is just a game,
That everybody plays,
You're either gonna win or lose,
A winner walks away,
high as a kite,
With the loser left,
cryin' the blues.

You gotta dig a little deeper,
if that girl's a keeper,
Lose a little bit of your pride,
You gotta dig a little deeper,
if you wanna keep her,
Keep her satisfied.

(Instrumentals)

Weeeeeeeeeell.
If you gotta good woman,
Who's a waitin' at home,
with dinner on the table at five,
You gotta tell her,
you appreciate her every day,
And you love her,
till the day that you die.

You gotta dig a little deeper,
if that girl's a keeper,
Lose a little bit of your pride,
You gotta dig a little deeper,
if you wanna keep her,
Keep her satisfied.

Dig a little deeper,
Dig a little deeper,
Dig a little deeper,
Dig a little deeper,
Dig a little deeper,
Dig,
You've got to,
Dig a little deeper,
If you wanna keep her,
Keep her satisfied.

Keep her satisfiiiiiiiiied.
