Die, yeah you will have to burn  
Cry, and you will not be heard  
And I will watch you hang below the sky...  
Why, I am the burning flame  
Lie, no I won't ease your pain  
And I won't leave until I've burned the ground...

Before I have to go I'll tell the tide to flood you all  
Before I take control I'll be reminded by you all

I'm the untold...

Die, no you will have to learn  
Cry, no I won't go unheard  
And I will watch you from a higher ground...  
Why, you've reached the boiling point  
Lie, no I won't ease the strain  
And I won't leave until you all have drowned...
